To Whom It May Concern:

I am pleased to recommend Stephanie Scheldt for a teaching position as she has exceptional skill and ability. Stephanie successfully completed her Michigan State University internship at Lakeside School from August 27, 2012 until April 24, 2013. In this position she is worked with our 3<sup>rd</sup> grade students.

Stephanie is an outstanding professional who worked hard to make her education program as a model of excellence. She worked effectively with the teachers, students, parents, and administrators. She participated eagerly in our professional development sessions, school improvement discussions, and staff meetings.

In addition, Stephanie is dependable, motivated, and has tremendous enthusiasm for teaching. The students were actively involved in the classroom and her classroom management style was very successful.

I highly recommend Stephanie Scheldt for the teaching position in your school district. She will be an excellent addition to your staff.

It has been a pleasure to have Stephanie Scheldt student teach at Lakeside School. If I can supply any further information in support of Stephanie's application, please let me know.

Sincerely,
